WHEREVER PEOPLE SING...

Beatrice Kay

Songs of the Naughty 90's

60¢ IN U. S. A.

Wherever people sing, the songs of the 90's are loved and sung. They recall the bygone day of John L. Sullivan, handlebar moustaches, bicycles built for two, and horse-drawn streetcars. It was an old fashioned world, and the songs of the 90's are old fashioned songs. But we never tire of them.

Beatrice Kay has been singing them, with sensational success, for more than five years. On the air, on the

stage, and on records, her renditions of these songs have won her a terrific following.

Here is a collection of the songs she sings so well, and people love so much. Included are 26 of the most-sung songs of the 90's. You can have a barrel of fun with them — for they sing best when you sing them loud and with gestures.
